I am an experienced Graphic Designer that is proficient in Adobe programs such as Photoshop, Illustrator, InDesign, Premiere, and After Effects among others. I have done work on packaging, manuals, catalogs, presentations, magazine advertisements, websites, email campaigns, UI/UX design, trade show exhibits, retail décor, apparel and product photography. I have done work for major retailers such as Amazon, Walmart, The Home Depot, Lowe's, Tops Friendly Markets, Albertsons, Sprouts Farmers Market, Guitar Center, and government entities such as the Los Alamos National Laboratory. I have a background in website development and maintenance along with utilizing SEO best practices on different CMS platforms like WordPress, Joomla, and Drupal. I have a Bachelors Degree in Graphic Design from the University of Cincinnati's DAAP program.

I am used to working in situations both as an integrated team member and as a contractor with projects that may range from hours to several months. If you wish to look at some of my photography work, examples of print, web, exhibits, and product development are available on my website and on the specified links below.
